We source the finest ingredients from Italy, yes – but Belgrade's air, Belgrade's rhythm lives here too. That's why some pastas carry a local whisper, and some pizzas welcome a domestic bite. Not everywhere. Not always. Only where it feels right. Only where it tastes like staying.

This isn't about borders on a map. It's about what grows close – and what travels well. Come by anytime: morning coffee, a lazy lunch, or a late-night carb fix. We'll be ready. Sit inside or out. Talk loud or not. Either way, the plate remains the same – good. Simple. Yours.

And don't miss our Melagrana Pizza. We're proud to say it's our signature.

But it's not just about what's on the plate. Expect perfect Italian espresso, precise and unforgiving. Serbian wines – bold, sunlit, direct. Italian wines – silky, composed Super Tuscans that pause the room for three seconds, bill forgotten. Aperol Spritz, ice-cold. Limoncello Spritz, lighter than the afternoon. Negroni – mixed exactly as it should be.

No rush. Ever. Food sets the table. Drinks tell the story. Stay awhile – we'll keep refilling.

Welcome to **Una Trattoria**, where **Naples** meets **Belgrade**. We take pride in using **Caputo**, the flour that has been making Neapolitan pizza legendary for decades – pure, strong, ready to rise.

Our **pizzas** are **original**, no shortcuts: the dough rests long, stretches wide and bakes crisp at the edge.

Pastas arrive **al dente**, holding their sauce beautifully.

Risottos? Layered love, **stirred slowly**, until they turn to silk.
